2. It is reported that the Rodauner Zementfabrik AG, Vienna III, has been expropriated for some time by the Soviets. The Soviet factory controller is a civilian named Sepkov.
2. The production rate of the factory is twelve railroad carloads of cement per day, besides a small quantity of tiles.
- Comment: The sister factory in Mannersdorf maintains approximately the same daily production rate.)
3. The entire production of the Rodauner Zementfabrik is taken by train to Bratislava. Its subsequent destination is unknown.
4. The plant employs 160 workers and an administrative staff of thirty; the shop council is entirely Communist.
